'S-GRAVENHAGE

## VOORWOORD.

---

In het jaar 1933 verscheen, het eerste deeltje van het **Lexicographisch Register** op het **Nederland's Adelsboek**, omvattende de Jaargangen 1912 tot en met 1918.

Waar bij de redactie van verschillende zijden aangedrongen werd op het samenstellen van een dusdanig register en dit blijkens de navraag aan een behoefte voorziet, hebben wij deze arbeid voortgezet. Met goedvinden van de redactie zijn thans van het Nederland's Adelsboek bewerkt de Jaargangen 1919 tot en met 1927.

Geheel hetzelfde systeem is gevolgd als bij de bewerking van het 1e deeltje; zoo beduidt een sterretje achter een cijfer, dat de naam meermalen op dezelfde bladzijde voorkomt.

Het ligt in ons voornemen binnen afzienbaren tijd een derde deeltje te laten verschijnen dat dan bijgewerkt is tot en met Jaargang 1938.

October 1938.
